

## Corona Days, Daze Part 2

The quality of the life we live and how we get through these corona days is found in the difference between making wise or unwise decisions.

*Jesus said:*

*Anyone who listens to my teaching and follows is wise, like a person who builds a house on solid rock. Though the rain comes in torrents and the floodwaters rise and the winds beat against that house, it won't collapse because it is built on bedrock.*

*But anyone who hears my teaching and doesn't obey it is foolish, like a person who builds a house on sand. When the rains and floods come and the winds beat against that house, it will collapse with a mighty crash.*

**Matthew 7:24-27**
