

**How To Listen To God  
Part 4**

**I wonder if there isn't a deeper level of listening that is available to us in this life.  
A level of listening that centers not so much on the cries of *our* hearts  
but on the cry of the heart of God.**

**Nobody makes it through alone**

**Isn't it an even richer blessing to be the one who on occasion gets to be the one to help?**

*If you spend yourselves on behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in darkness and your night will become like the noonday. The Lord will guide you always; He will satisfy your needs in a sun-scorched land and will strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail. **Isaiah 58:10-11***

**I will guide you  
I will satisfy you  
I will strengthen you**

*But they refused to pay attention; stubbornly they turned their backs and stopped up their ears. They made their hearts as hard as flint and would not listen to the law or to the words that the Lord Almighty had sent by his Spirit through the earlier prophets. So the Lord Almighty was very angry. **Zechariah 7:11-12***

**My Advice:**

**Persist in prayer, asking God for clear direction on which issue in our troubled world or around us God might ask us to help solve. Ask that I would live with wide open ears desperate to hear and receive God's voice and specific assignments He has for me.**

**"I'm ready Lord, *Rock* my world! Show me where to invest myself, my time  
and my resources and I'll follow you every step of the way."**

*Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke? Is it not to share your food with the hungry and to provide the poor wanderer with shelter - when you see the naked to clothe him, and not to turn away from your own flesh and blood? **Isaiah 58:6-7***

**Share and Provide**
